Who We Are and What We Do

FranNet was founded in 1987 by Howard Bassuk and through his company, Hobassco, began offering FranNet consulting services. In 2006, a group of established FranNet office owners bought FranNet from Mr. Bassuk. Our principal business address is 10302 Brookridge Village Blvd., Suite 101, Louisville, KY 40291.

FranNet's services consist of providing guidance, information, and support to prospective franchise owners (clients/candidates) and assisting them through a process in which the candidate outlines a profile of the type of franchise that is most suitable for the candidate. Based on the candidate's interests, goals and skill sets, FranNet Consultants present the candidate with franchise opportunities that fit their profile, along with a process that outlines the steps to research the prioritized franchise opportunities. This enables the candidate to make an educated decision and for the Franchisor to be presented with prequalified candidates that fit its franchisee profile. FranNet Consultants do not sell franchises. The Franchisor controls the sales process, and the candidate ultimately makes the decision to buy or reject each franchise presented to them.

FranNet, LLC is a franchise company and annually files a Franchise Disclosure Document which includes three-year audited financial statements and all other required information. Despite having very few franchises available, FranNet files an updated FDD in all registration states on an annual basis.

FranNet's Franchisees and Associates (Consultants) live and work in their territories. We are a "local" based organization. We can refer the franchise candidates to local attorneys and CPAs. We can refer the candidates to the local SCORE or SBDC counselor for assistance with business plans because we have a working relationship with these organizations.

FranNet's Role in Your Business Ownership Journey

At FranNet, our goal is not to convince you that franchise ownership and new business opportunities are the right thing for you. Rather, we will help you understand the pros and cons of owning your own business and guide you through a process that will allow you to make an informed decision.

Your Responsibilities in the Business Ownership Journey

The choice to buy a franchise at all, or any particular franchise, is yours and yours alone. You should conduct a thorough independent investigation of each franchise you consider. Once you decide to enter into a franchise agreement, your relationship is governed by that contract and FranNet cannot resolve any issues or dispute you may later have with your franchisor. In addition, FranNet does not represent that you can or will attain any particular level of revenue, costs or expenses or that you will generate income, which exceeds the initial payment of, or investment in, the franchise. Therefore, we strongly suggest that you consult your legal and financial advisors or personal accountant before you enter into any franchise agreement.

FranNet offers on-going training in several different formats for the entire organization.

FranNet requires that all Consultants complete the IFA FranGuard program within 6 months of joining the company.

Item 2 – Franchisors Standards and Diversity

Franchisor Selection Criteria

FranNet goes through a selection process very similar to the due diligence process we advise our clients follow when reviewing franchisors. The FranNet Selection Process is summarized below:

- Initial conversation/interview with the franchisor to obtain an overview of the concept.
- After the initial call, the franchisor is asked to complete a full application for consideration and to submit their FDD and financial statements for review.
- A full review is completed on the FDD and financials including an outside company comparing key performance indicators to competition in the same industry.
- FranNet's Inventory Committee reviews and evaluates all documentation. Upon approval by the Inventory Committee, the concept is advanced to the validation phase. Specifically, FranNet contacts a sampling of franchisees at the concept to learn more about the culture and support from the franchisor to the franchisees.
- After a satisfactory review, FranNet proposes and agrees to a contract before the franchisor is considered inventory for the FranNet system.

Franchisor Diversity

As of May 2022, FranNet's current list of franchisors cover 81 different SIC (Standard Industry Classification) codes. No single SIC group accounted for over 5% of the franchisors currently on the list.

Item 5 – Fees Paid by Franchisors to FranNet for Successful Placement

The fees paid by franchisors for the successful placement of a candidate vary due to several factors such as the total investment for the franchise, the franchise fee, the demand for the concept or specific industry and number of units sold in a package. The fee paid by the franchisor to FranNet does not affect in any way the candidate's investment in the franchise business. Fees paid to FranNet are consistent with industry standards.
